Spring 2026

Message from Board

The Terrebonne Sanitary District Board continues to make progress as this project begins to move forward. With the start of the Redmond Wetlands project—and with ODOT currently installing dry sewer lines along 11th Street and Smith Rock Way—key regional pieces are now aligning, helping set the stage for the next steps in Terrebonne's long-term sewer planning.

We appreciate the recent funding support that is helping advance this essential work. In particular, the Board extends its appreciation to **Business Oregon** for awarding the district funding through the **Housing Infrastructure Support Fund Program**. We also want to recognize the **Deschutes County Commissioners** and **Representative Vikki Breese-Iverson**, as well as the **City of Redmond,** for their continued support and advocacy for the Terrebonne community. Their partnership strengthens our ability to plan responsibly, pursue additional grant opportunities, and keep the project moving forward.

We appreciate the community's engagement and patience as we work through the technical, financial, and regulatory components required for a project of this scale. Your involvement and feedback ensure that our decisions reflect the needs and priorities of Terrebonne's residents and businesses.

We encourage you to attend upcoming meetings, review posted materials and reach out with questions. Together, we are building a stronger, more resilient future for Terrebonne.

Board of Directors

Tim Brown, President
Katie Stratton, Secretary
Kristin Yurdin, Treasurer
Guy Vernon
Dylan Stott

Monthly Board meetings are held on the third Thursday of each month at 4:00 pm at Smith Rock Community Church (8344 11th Street, Terrebonne, OR 97760).
The public is invited to attend in person or via Zoom. (https://us06web.zoom.us/j/84660061410)
